CHRISTMAS GREETINGS TO ALL - HAVE A HAPPY AND SAFE FESTIVE SEASON !! ... Sandra

FROM THE PRESIDENT

This is our last 1991 newsletter.

As the year draws to a close, I hope that your aspirations and goals for '91 are close to fruition.

The universal Feast of Christmas which heralded our christianity is less than a month away and I wish you and your families a happy, holy and peaceful Christmas.

I thank you for your commitment to Zonta during '91 and look forward to continuing with you the work and fellowship of Zonta in 1992

CHRISTMAS MEETING Monday, 2 December. Address is 9 Goldie Street, The Gap. Phone 300 3574. Apologies as usual to Jocelyn Grant-Taylor, and guests as well. The meal will be catered, cost \$20 per head, BYO drinks. The gift for exchanging should be an actual christmas decoration suitable for hanging on the tree.

ADVANCEMENT GRANT 1992

The committee considered 24 applications for this grant and were of the opinion that most of the applicants' goals and how the money would be spent met the selection criteria. It was the significance of the grant, the summary of the resumes and the application letters that were used in the final submissions. The committee nominates Karen Petroni of Mackay as the recipient of the Zonta Club of Brisbane North Advancement Grant 1992.

Karen is a 20 year old widow with two dependent children, aged 1 and 3 years. She recently completed a 12 week CES Sponsored Office Refresher Skills Course at the Mackay T.A.F.E. During this time Karen achieved a Certificate in Office Fundamentals which usually takes a student six months to achieve. Karen wishes to undertake an Associate Diploma of Business at Mackay T.A.F.E. in 1992. Her long term goals include accounting and law. Karen intends to use this money for course tuition fees, text books and child care. Her application is supported by the College Counsellor.

An anonymous donation has been received by the Status of Women Committee to provide grants of \$100 each to two of the unsuccessful applicants.

The committee nominates Cindy Jones of Cairns and Jenny Bartholomeusz of Browns Plains be the recipients of these awards.

Cindy is a single mother with three children. She has recently completed primary school with School of Distance Education and this year is studying English in preparation for senior studies at the Trinity Bay State High School. Cindy left school at 15, unable to cope with her studies and since then has been diagnosed as having a hearing problem. This problem has been alleviated with hearing aids in both ears. The money will be used to assist with books, transport and child minding. Her application is supported by a teacher at the Trinity Bay High School.

Jenny Bartholomeusz is a 32 year old single parent of two children, 9 and 11 years. She is presently undertaking the Tertiary Access Course to Griffith University at Logan City T.A.F.E. She wishes to undertake a Bachelor of Teaching Degree or Informatics. Jenny says that the course at Logan College has given her an opportunity to change direction, to better herself and provide a better standard of living and education for her two children. She would use the money to help with purchasing books for University, Student Union Fees, parking fees or after school care for her children. Jenny's application is supported by the Co-ordinator, Certificate of Tertiary Access to Griffith University.

SERVICE Full information on submissions and details of funding available will be presented in the February newsletter for final club decision at the February meeting. As a reminder meanwhile, this resume:-

WOMENS PLACE PROJECT

The Women's Place Council has been awarded \$11 000 under the National Agenda for Women Grants Program for 1990-91. The money will fund research into the existence of materials on, about or by Queensland women and which may be brought together at some future time as an exhibition of the contribution which women from every walk of life have made to the development of our state.

THOUGHT FOR THE NIGHT. The CJC recommendation for legalised prostitution resulted in page one publicity for a member of what is called the oldest profession, comprising a full-length photograph of herself and a whole column devoted to her views. What does the club feel about (a) the recommendation; and (b) the publicity itself?

THOUGHT FOR THE NIGHT - Jean Sinclair

Thought for tonight becomes food for thought since members request prior notice of that which they are asked to exercise their minds over dinner, which catches the thinker somewhat flat-footed, since up to now she has operated on a last minute time schedule!

However, at the time of the newsletter going to press there has been some splendid publicity for Brisbane North's September 10 seminar on "Sex and the Cult of Beauty" thanks to Sheila O'Neill. It was an article of very high standard indeed which must vastly enhance the general Zonta image. Might one, therefore, make a plea that, in future, when it comes to selecting entertainment for fundraising or composing brochures to advertise our activities, that the club as a whole is consulted so that we can consider if we are keeping up the standard that our most recent publicity has set for us?

Please distribute the dodgers as widely as possible, to ensure maximum attendance. Invite friends and acquaintances personally to a stimulating, thought provoking evening. The planning committees are looking at a raffle to be held on the night. Should you have access to worthwhile donations towards this, please contact the committee. Good value prizes, and a large audience should ensure some relatively easy fundraising.

WORKSHOP FEEDBACK ... After a magnificent lunch at Chancellor on the Park. The scene was set for an interesting afternoon of participation, and thought provoking viewing at our club workshop. Feedback, and action, will be forthcoming on the issues raised by the discussion on committee goals.

WOMAN OF ACHIEVEMENT AWARD ... The Zonta Club of Brisbane is once again offering their award, worth \$2000, for a Woman of Achievement. Applications close by 30 August 1991. Nominations may be sent to Woman of Achievement Committee, GPO Box 1269, Brisbane.

ADVANCEMENT GRANT ... The Status of Women Committee is currently organizing advertisement material for the 1992 Zonta Club of Brisbane North Advancement Grant of \$500. Closing date for applications is 31 December, 1991

NATIONAL WOMENS CONSULTATIVE COUNCIL ... A recent mailing from Pauline Griffin has provided some interesting material on women and the environment, posing important questions and outlining the issues to be faced -population and poverty, energy use and climate change, land use and toxic waste, biological diversity and technology, nuclear power and militarism. The N.W.C.C. has these themes for its consultation '91.

DISTRICT GOVERNOR NEWS

The winner of the Young Women in Public Affairs Award for District 24 was Amelia Mary-Ella McLaren. There were nine club entries, hopefully next year there will be one from each club.

The judges were Judge Margaret McMurdo from Brisbane, and Ms Wendy McCarthy (Deputy Chairman of the ABC) in Sydney.

The winner was sponsored by the Parramatta/Ryde Club and they will hold a luncheon on Saturday, 27 July to present her certificate and for other Zontians to have the opportunity of meeting her.

Twinning of Districts - At the Dallas convention District 22 was declared our friendship district. In the second year of the biennium we have been allocated a specific club in District 22, along with several other local Brisbane clubs. Our 'twin club' is Zonta Club of San Pedro Sula, SRA. Digna Rodriguez, Apartado Postal No. 1649, San Pedro Sula, Cortes, Honduras, C.A.

CLUB WORKSHOP

A final reminder for Saturday afternoon - an interesting and informative program has been planned. The support of each club member is necessary to ensure success. Potential new members are welcome to attend also - this would be an excellent way to stimulate their interest.

ANNUAL CHARITY FUND RAISING DINNER

The Zonta Club of Brisbane East would like support for their venture on Friday, 12 July at 7 p.m. A three course dinner will be served at the Heritage Hotel. Cost is \$40 per person. An auction will be conducted during the evening. Phone enquiries - Margaret Williamson 832 5064; Kym James Murray 891 5233.

FILM EVENING

Sunday, 28 July 5 - 8 pm. A choice supper and fine champagne will be served 5-6 pm. "Quigley" is Tom Selleck's latest movie, screening 6 - 8 pm.

Members are requested to bring unsold tickets and money to the next meeting. Please make an effort to sell as many tickets as possible for this combined fellowship and fund raising function.

BRIDGE TABLE FAIR

Saturday, 3 August. A later start and finish has been decided upon - 8.30 am through to 1.30 pm to take advantage of the lunch time trade. Once again, Joan Webster and Jean Sinclair are running a book stall. Bring your priced, second hand books to them on the day, or beforehand. It is felt that a mass display of books will attract more browsers. Jennie Watt is having a white elephant stall; and would appreciate any contributions.

PIE DRIVE Please have orders in by 19 July (earlier if possible) for delivery of the pies at the fair on 3 August. Orders can be faxed to Jocelyn Mould on 357 8659.

PUBLIC SEMINAR

'Sex and the Cult of Beauty' will be held on Tuesday, 10 September, at the Brisbane Grammar School (Boys). The speakers will be Julie Bailey (media), Helen Hoey (Psychiatrist specializing in treatment of anorexics and bulimics), and a return performance by Jan Power (all weather media personality) should ensure a stimulating and thought provoking evening. Flyers for distribution should be available next meeting.

COMMITTEES

Committees for the year are being finalized. Members are reminded that they are welcome to join more than one committee.

Each committee chairman is to present the aims of her committee at the next dinner meeting, with notification of regular meeting dates and times. Each committee should provide a report for the board meetings. The Status of Women Committee will meet at 6 pm on the day of the dinner meeting.

FELLOWSHIP COMMITTEE

A possible 'hands-on' service project for a wheelie house in Ascot is under consideration. Interested members contact Peta Stilgoe and hone those painting/decorating skills. Suggestion of a car rally later in the year was greeted enthusiastically last meeting - we'll keep you posted!

INCORPORATION

The wheels are turning slowly and incorporation matters are in hand. Notice of the necessary special resolution to be passed will be given next meeting.

The date has been set for Tuesday, 10 September so
 as not to clash with other clubs' meetings. The
 topic this year is 'Sex and the Cult of Beauty', with
 guest speakers to be Professor Julie Bailey, Helen
 Hoey, and the return of Jan Power, so the evening is
 already shaping up to be another memorable success
 (provided we publicise enough).

BRIDGE TABLE FAIR

Planning should be well advanced for our annual fair.
 This year will again see a pie drive in conjunction
 (why change a winning formula??). The same pies as
 last year, plus some new flavours - forms will be
 distributed for collection of your orders. Pie
 price - \$3.30.

DISTRICT CONFERENCE

A Zonta Shop will be run during the conference,
 profits to go to District 24. To make this a
 success the organisers are requesting that each
 Zonta Club donate 6 items suitable for sale in the
 shop. Each club may choose the 'flavour' of its
 items, which can be any new saleable item such as
 pottery, jams, handwork, flowers, the possibilities
 are wide and varied.

ADOPTION PRIVACY PROTECTION GROUP

The Club has received some information from this
 group relating to the recent legislation and its
 ramifications. The matter is of public interest
 and concern for a number of reasons. For more
 details, contact Dorothy Stringer on her return or
 Sandra March for copies of the submission.

ORGANISATION AND EXTENSION

With prospective new clubs for areas such as Dalby,
 Stanthorpe, Roma, Warwick, Gympie, Gladstone, Mackay
 and Coffs Harbour, if you have any contacts or if
 you know anyone from these centres who would make
 a good Zontian, please notify Sandra March so she
 can pass the details on to Jane O'Brien.

Lunch and fellowship is inclusive for the modest charge of \$12.00 per head, at one of the cities attractive venues, Chancellor on the Park. Mark your diaries now.

REMINDER REMINDER REMINDER

Zonta Fair - SATURDAY AUGUST 3RD. Collect your thoughts, friends, family, junk, books, jewellery etc. and prepare for a fun day.

STATUS OF WOMEN Committee has had the idea for a 'Firsts' seminar with guest women who have been notable firsts e.g. first judge, first Lord Mayor, first Prime Minister! If you are aware of any similar 'Firsts' please pass the names on to the committee for consideration.

THEATRE NIGHT

A most enjoyable night was had at the Cremorne Theatre, and Mocafo, thanks to the Fellowship Committee. Jennifer Blocksidge was superb in a strong role in the sometimes disturbing play, 'Mrs Klein'. Club Coffers benefits too.

SERVICE

The Fellowship Committee is seeking ideas of groups, or charities, who may be assisted in discrete 'hands on' projects such as last year's Friends of Brain Injured Children room decoration. This would provide an outlet for direct service and enhanced fellowship from a small working group - you can get to know someone quickly on the other end of a ladder!

One suggestion already to hand is for more decorations for Adelaide Billings ward at the Children's Hospital.

Another idea, which Dorothy Stringer has volunteered to co-ordinate, is to sell your talents (for Zonta) to other members e.g. babysitting, baking, car washing, you think of it, you name it - the possibilities are endless.

AREA SERVICE PROJECT Joan Sheridan District Chairman at the Area 3 Workshop held at Coolum recently, reports participants enthusiastically supported the concept of an area workshop. Two submissions were presented to the workshop and the details of both are enclosed separately. Please consider these projects carefully. The commitment to one of these projects would be for the 1991-1992 Biennium. It is anticipated that a donation would be made annually at a combined Zonta Club function. An area project would gain valuable publicity for Zonta and enhance the public image. In addition, participation in an area project could lead to a growth in Zonta membership. It would enable clubs to work towards a much bigger project and would encourage interaction between clubs as members worked towards a common goal.

THEATRE NIGHT

The Fellowship Committee has arranged a theatre night to see Jennifer Blocksidge, one of our own charter members, in 'Mrs Klein', on Wednesday, 17 April at the Cremorne Theatre.

Tickets are \$25.00. Anyone interested please phone Jocelyn Grant-Taylor on 857 5774 or 857 5745 before Easter. We are also arranging a light meal at 'Mocafe', Manning Street, beforehand - details will be announced at the April meeting.

ZONTA FAIR

Yes - it's time again to check the cupboards, pot the plants, plan the jams!!

The annual 'Bridge Table' fair will be held on Saturday, 3 August at Robertson Park, Indooroopilly from 8 a.m. to 12 noon. Last year's was a successful fundraiser - let's do it again.

Best Sellers:- Food, jewellery, food, clothing, food, books, food, plants, food, white elephant articles. If you can't make or scrounge enough for a whole table yourself, get together with another member. Fellowship and fundraising go hand in hand for this low key function, which is always worthwhile and thoroughly enjoyed by those who participate.

5. Summarise all decisions - record immediately who is responsible for what actions.

Status of Women Janet Irwin presented a disquieting video 'Still Killing Us Softly' on advertising's view of women and its relation to violence.

Service The idea of an area service project was endorsed by those present at the workshop. This will gain valuable publicity for our organisation. Two worthy projects were presented, and direction from each club is required by the end of April. The Qld. Institute of Medical Research suggests a scholarship of \$20 000 per year to train a medical researcher at its world class Brisbane facility. The scheme to run for 3 years. Q.I.M.R. is a world leader in research into tropical medicine. The second project is to assist the Wesley Hospital Breast Cancer Screening project, in order to try to prevent a disease which strikes 1 in 14 Australian women. Funding suggested was \$15 000 per year for 3 years, with money to be used in educating clients.

Drug Abuse International convention affirmed that Zontians should sponsor programs against drug abuse. To that end a kit has been developed to present a program for 11 and 12 year olds, to encourage rational use of drugs, and encourage responsible health enhancing behaviours. Kits can be ordered through the Pharmaceutical Society for \$89, and donated to schools, or time can be spent training teachers in their use.

Other Presentations Sessions on stress management, and public relations and advice on media presentation had much to offer; as did a segment on travel health.

Club President's Reports It is always interesting to hear the many different ideas. Most clubs support some sort of scholarship awards locally. Our club was presented with the Founders Award for outstanding club accomplishment for the previous biennium.

REMINDER

Annual dues were due last month. Only 50% of membership has responded so far. Please make your Treasurer's life easier by attending to the matter as soon as possible.

AREA WORKSHOP - COOLUM 16,17 MARCH

A variety of presentations made for a stimulating and worthwhile two days, hard work to keep up, but great to participate. A brief outline of some of the features follows:

Membership A new manual of membership and classification is on its way from Chicago. Changes include an opening up of the number of members per classification (with far fewer actual classifications) clubs are responsible for monitoring their membership with an emphasis on quality and diversity. There should be at least one quarter as many classifications as members i.e. 10 for 40.

Preliminary results from the membership questionnaire are available (Brisbane North had an 88.6% response thanks to Lorna Webber's efforts).

Recognition that public relations and a raised profile is vital to attracting membership and achieving the goal of 10% growth for the biennium.

Meetings The John Cleese video 'Meetings, Bloody Meetings' made us squirm, but taught 5 basic steps in running a meeting.

1. Plan - an agenda with precise objectives
2. Inform - notify beforehand so whatever is required may be assembled
3. Prepare - sequence of items and time for each
4. Structure & Control - present the facts, interpret them, decide upon the action.

FUNDRAISING

Next meeting will see committees presenting their ideas with a date, an estimate of how much support will be required, and an estimate of funds to be raised. In addition to the Theatre Night and the Zonta Fair, ideas so far:-

Pie Drive - Fellowship, Finance

Film Night - Finance

Seminar - Women's Affairs - Membership and
Status of Women

INTERNATIONAL CONVENTION

Hong Kong 18-23 July, 1992

This is only a little over a year away, and in busy schedules we need sometimes to plan time away that far ahead. Here is an opportunity to combine Zonta with the excitement of Hong Kong, at a cost more affordable than conventions held on the other side of the world.

UNITED NATIONS NEWS

From Joanna Quinn, District XXIV Chairman.

A Unifem Australia National Committee has been formed.

The prime function of the National Committee lies not in fundraising but awareness raising and it will be involved in:

- A. Development Education: To inform fellow citizens Organisations and Government about womens development in general and UNIFEM's work in particular
- B. Voluntary contributions/ Governments: To encourage Governments to contribute as generously as possible to UNIFEM at the Annual UN pledging conference for development activities;
- C. Resource mobilisation/ private sector: To mobilise resources from the private sector where appropriate

A National Committee is eligible for recognition only if it exists in a country which is a member of the United Nations or of any specialised agency and which is not a recipient of United Nations aid programs. The Committee must also be constituted under and comply with the Laws of the Country in which it is established.

The recognition Agreement has now been signed and on the 16th February, 1991 the Committee moved that the UNIFEM AUSTRALIA COMMITTEE be incorporated under the provisions of the Associations Incorporation Act (Queensland).

A Management Committee was elected: President: Beverley Perel (B.P.W.), Vice President: Marcia Seymour (Zonta), Secretary: Mary Lamont (Soroptomists), Treasurer: Ailsa

Curran (Zonta) and two committee members: Mary Guthrie (YWCA) and Barbara Campbell (Union of Australian Women).

There are several categories of membership, descriptions of which are attached to the enclosed application form, and I would urge all Zonta Clubs and individual Zontians to become members of the Association as soon as possible and advise me. Fees for membership have not yet been determined, however it is proposed that such fees will be very moderate for individuals and voluntary organisations and on a par with membership of the UN Associations (see below) and UNICEF Committees.

As Zontians we can use the activities of the UNIFEM AUSTRALIA COMMITTEE to increase public awareness of our Organisation and our involvement, and we must, given our commitment to UNIFEM, be prepared to assist the Committee as much as possible.

You may also be interested to know that the funds raised in 1990 from the Brisbane breakfast and Sydney Lunch are to be used in a project in conjunction with the YWCA in the South Pacific Area details of which are attached.

ZONTA INTERNATIONAL CLUB BYLAW OPTIONS

The 1990 Bylaws/Rules Revision Sheet is included with this mailing. Options were discussed last meeting and will be voted upon at the April meeting. Please study the recommendations and be prepared to vote accordingly.

NOMINATING COMMITTEE

The committee was selected at the previous dinner meeting Dianne Loutit, Jean Sinclair, Helen Skippen, Carol Fripp and Peta Stilgoe) and has the task of reporting the slate of officers and directors to the March meeting. Additional nominations may be made from the floor, provided the nominee has consented to serve.

MEMBERSHIP

Membership Committee has established a goal of 50 members by mid-1992. New member forms were distributed last meeting for your use.

STATUS OF WOMEN

Regular meetings of this committee are held on the Monday following the dinner meeting. When Barbara Newton shortly takes her well deserved long service leave, meetings will revert to 'Connections' at the City Plaza.

Three applications were received for the advancement grant, and the committee has decided who will be this year's recipient of \$500.00. The \$3 000.00 remaining funds will be invested. It is hoped that the whole process for the award of the next grant will be able to be arranged earlier i.e. publicity for applications begun around August/September.

Thanks specially to Joan Winter for the design of the application form, and for establishment of the selection criteria.
