# Presidents Report

Well once again our club meeting has been disrupted by the border closure! But we can still move forward on projects that are important to the club by communicating via email, messages, and phone. If you have any projects that you would like the club to be involved in, do not hesitate to send me an email, so that they can be discussed via email at this stage until we are able to meet again, hopefully in October!!

During this shutdown and if you have the time, can you please phone those members who are maybe on their own with just a little one on one support.

I guess you have all seen by now that our Merle Stephen has made the Dianne Leggo Honour List. Merle has worked tirelessly for over 30 years, so this award is most certainly deserved. Congratulations Merle....

We are working towards nominating the Broadwater Village Ladies as a recipient of the Tweed Shire Council nominations for Volunteer Groups for the Australia Day Awards for next year. This is being organised by the NSW members. Thank you.

Unfortunately, I can't say see you next Monday, but we will keep moving forward as best we can, and we should be able to meet in October?

Hope to see you soon!!

Lesley-Anne Marsh

President

**No further news I am fine**

**Cheers Merle**
